Vote and comment to Town Meeting - Favorable Action (5-0)

The Board voted unanimously for favorable action on this article.

The first of the proposed amendments to the Town's Canine Control bylaw would align the Town's bylaw with existing state law regarding the steps necessary to obtain a waiver from the requirement that any dog six months or older must receive a rabies vaccination. The proposed amendment contains the three very limited circumstances that qualify for a waiver.

The second proposed change would waive the license fee for dog owners seventy years old or over, an action that is dependent upon Town Meeting's approval of Article 34 in this year's Warrant. If Article 34 is approved by Town Meeting, then the second change will be ripe for consideration.
